

Please read below.

1. If you wear soft contact lenses, do not wear them 7 days prior to your treatment day in the treated eye. If you wear hard contact lenses, do not wear them for at least 4 weeks prior to your treatment day in the treated eye.
2. Please remove all eye and facial make-up before you come in for your procedure for at least 24 hours prior to your procedure.
3. Eat a very light meal at the mealtime prior to your treatment.
4. Wear comfortable clothing.
5. Please arrive 15 minutes prior to your scheduled appointment time for check-in. You can expect to be here for approximately 1 to 2 hours depending on extent of assessment being done.
6. The day of surgery please have a driver bring you to and from your appointment. You will also need a driver for your one day follow - up appointment.
7. Payment for your treatment must be made upon your arrival. We accept cheque, Visa or MasterCard. Payments made by certified cheque or bank draft need to be made payable to Ahmed. Al-Ghoul Professional Corporation.
8. If unable to keep your scheduled appointment, please notify us at least 48 hours in advance to reschedule.
9. You will be given a prescription for pain medication. Please have this prescription filled on the day of your treatment.
10. Future appointment times will be arranged after your treatment day.
